

“100 Groovy Men Who Cook” Support YMCA

Supporting the Lafayette YMCA was the goal of the second annual “100 Men Who Cook” fundraiser held on April 23 at the Purdue Memorial Union. This fun competition pitted some of Lafayette’s and West Lafayette’s most notable males against each other with dueling pots and pans.

This year’s theme was “Peace, Love and 100 Groovy Men Who Cook. Welcome to the 60’s”.

Tom Andrew took up the challenge and donned his apron and tie-dyed shirt to compete in the Best Appetizer category with his olive cheese balls.

Each participant created their specialty and encouraged friends and supporters to “tip the chef”. Tom’s final tip tally was \$1300 donated to the Lafayette Family YMCA.

Tom expressed his appreciation to those who took part in the event and to those who “tipped” him. “This was a great event and supports an organization that is very important to my family and

the community. I really enjoyed being part of this fun and rewarding evening,” stated Tom.

We all look forward to seeing what is on the menu next year.

Paslode Tool Day Offers Great Buys

With the new construction season upon us it seemed to be a good time to hold our Paslode Tool Day on April 27. This one day event gave our customers the opportunity to check out the newest cordless framing nailers and other

innovative products. Anyone

with an older nail gun could trade in their older model and receive a nice discount on a new nail gun.

We want to thank Paslode for bringing their tool trailer to Henry Poor and being available for all our customers.

BAGL Members Enjoy South of the Border Fare

The BAGL General Membership meeting had a distinctive south of the border feel when it was hosted on April 12 by Henry Poor Lumber at the Flooring Express showroom.

With a fajita food bar and margaritas available, the BAGL members enjoyed a great opportunity to network and see old friends. Everyone in attendance also had a chance to talk business as they outlined plans for the upcoming

Parade of Homes, July 23/24; 30/31 and Smelt Fry Classic May 20th.

Keith Kannaple of METROFLOR brought us up to date on the latest trends in LVT flooring. Keith spent time highlighting how the evolving technology was providing longer lasting and more versatile products.

RIP P-Nut Andrew

A longtime friend to many Henry Poor associates and customers passed away on April 15. P-Nut was a Chesapeake Bay retriever who was a regular fixture at the lumber yard since he was a 9-month old pup in 2002 until the stairs and the long days were a little too much to handle in his later years.

P-Nut would greet customers with a smile and a wag of the tail and always made sure to take a bite out of high prices. Jay Andrew stated, "P-Nut lived a wonderful life and was a wonderful friend to me and to everyone he came in contact with. He will be greatly missed by me and his Henry Poor family."
